

Remarks

Claims 35 and 65-66 were allowed in the Office Action of December 13, 2004. Claims 67-68 were rejected in the same Action under 35 U.S.C. 112, first paragraph allegedly for introducing new matter. Without conceding the basis for this rejection and in the interest of advancing the allowed claims to issuance, Applicants have canceled Claims 67-68. Applicants reserve the right to claim this subject matter in a continuing application.

Applicants submit that all grounds for the rejection have been removed. Applicants respectfully request that a timely Notice of Allowance be issued in this case.

Respectfully submitted,
